Hi Arnold and Rick,

Can you please look this over the agenda below to see if you think it okay for me to forward to the DD/ADD/DDD's to prepare for the Enviro meeting?

Thank you,

Shannon

Hi Darlene and Shannon,

Here is a draft outline of topics we'd like to cover in the NGO meeting on May 4th.

Hopefully this will help in determining who should be in the room.

Thanks much and have a great weekend.

Cynthia

NPRC Agenda Topics May 2017

Broader process issues

--EPA pesticide/chemicals leadership

--EPA comment periods in new administration

--EPA response to petitions

--EPA use of conditional registrations in light of flubendiamide cancellation proceedings

--EPA regulatory rollbacks

Chlorpyrifos decision

Questions about decision-making process and avenues for input.

Endangered Species Act

Biological assessments for chlorpyrifos, diazinon and malathion – input from Dow et al.

Worker Protection Standard

Questions from farmworker advocates

Glyphosate

Glyphosate risk assessment process, studies employed, and input from Monsanto et al.

Carbofuran

FWS investigators confirmed that this largely-banned pesticide was responsible for the many bald eagle deaths in DelMarVa.

Pollinators (to extent not covered in PPDC)

--Treated Article Exemption

--National Pollinator Strategy

Contraceptive pest control

--OvoControl, ContraPest

--Avitrol risk assessment

Migratory Bird Treaty Act

Rollout and implementation

Hoping so. I'm home with a sick kid, so this is slowing things down a bit for me. But I'm hoping we have at least a draft by Friday.

Thanks,

Hi Darlene,

Thanks for your note. Yes, we're putting together the agenda, and I've been in touch with Dea to try and minimize overlap with the PPDC topics. I'll be in touch in the coming days. c.

Hi Darlene and Dea,

If possible, we'd like to set up an NGO meeting with OPP pesticide leadership following the PPDC meeting on Thursday May 4.

Would this work for your team? If yes, would 1 pm be okay?

Thanks much.
